## The Ladies Song

1.-Solo:

Tonight we are met to pay tribute  
to those who throughout all our lives,  
are ministering angels to us  
our Mothers, our Sweethearts, our Wives.  
To all of these wonderful ladies  
our devotion will ever be strong,  
we all love our Ladies, God bless 'em,  
and here's to their health in a song.

And here's to their health, here's to their health  
And here's to their health in a song.

*All sing Chorus:*

And here's to their health, here's to their health  
And here's to their health in a song.

3.-Solo:

To the Worshipful Master's Lady  
our homage we happily pay,  
may joy be her constant companion,  
her sorrows all fade away,  
may good fortune and blessings attend her  
and serenity to her belong.  
Long Life to The Lady we honour  
and here's to her health in a song.

And here's to their health, here's to their health  
And here's to their health in a song.

*All standing sing chorus*

2.-Solo:

So Brethren all, keep them safely  
let nothing them come amiss,  
console them in their troubles,  
rejoice with them in their bliss.  
Let happiness be their portion,  
no grief or tears last for long,  
we all love our Ladies, God bless 'em,  
and here's to their health in a song.

And here's to their health, here's to their health  
And here's to their health in a song.

*All sing Chorus*
